FILING APPLICATIONS

Documents required for filing an application:

- ✓ **original and/or copy of the document, certifying identity and nationality, or the document, certifying identity of a foreigner in the Russian Federation or identity of a person without nationality in the Russian Federation and its certified translation into Russian (if required),**
- ✓ **original and/or copy of the nationally recognized document certifying a level of education and its certified translation into Russian (if required),**
- ✓ **individual insurance account number (SNILS) (if available).**

Starting dates and deadlines for filing the documents required for enrollment, periods of entrance examinations

Postgraduate degree programs	Enrollment as part of target figures under all the modes of study	Enrollment under contracts for rendering paid educational services under all the modes of study
Starting date of submitting applications for enrollment and documents attached to the application	03.06.2024	03.06.2024
Deadline for receiving documents from applicants	29.07.2024	20.08.2024
Deadline for entrance examinations	06.08.2024	22.08.2024

Dates of publishing lists of applicants, dates and stages of enrollment, dates of issuing enrolment orders

Postgraduate degree programs	Enrollment as part of target figures under all the modes of study	Enrollment under contracts for rendering paid educational services under all the modes of study
Publishing lists of applicants on the website	08.08.2024	23.08.2024
Deadline for receiving documents of a standard form	09.08.2024	27.08.2024
Date of issuing the enrolment order(s)	12.08.2024	30.08.2024

POSTGRADUATE DEGREE PROGRAMS IN 2024

Integrated groups of majors and fields of study	Major/field of study	Mode of study	Target figures, including		Entrance examinations	Institute
			state-funded places	under contracts		
1.1. Mathematics and mechanics	1.2.2. Mathematical modeling, numerical methods and software systems	full-time	0	1	Examination in the special subject	INSS
1.3. Physical sciences	1.3.8. Condensed matter physics	full-time	0	1	Examination in the special subject	
2.1. Construction and architecture	2.1.1. Engineering structures, buildings and facilities	full-time	5	1	Examination in the special subject	ICAA
	2.1.3. Heating, ventilation and air conditioning, gas supply and lighting	full-time	1	1	Examination in the special subject	
	2.1.5. Construction materials and products	full-time	1	1	Examination in the special subject	
	2.1.7. Construction technology and organization	full-time	3	1	Examination in the special subject	
	2.1.15. Construction site safety	full-time	0	1	Examination in the special subject	
2.3. IT and telecommunications	2.3.1. System analysis, information management and processing, statistics	full-time	5	2	Examination in the special subject	IPEAS
	2.3.3. Automation and control of technological processes and facilities	full-time	4	2	Examination in the special subject	
2.4. Power engineering and electrical engineering	2.4.2. Electrical complexes and systems	full-time	3	4	Examination in the special subject	
	2.4.6. Theoretical and applied heating engineering	full-time	1	1	Examination in the special subject	
2.5. Mechanical engineering	2.5.7. Metal forming technologies and machines	full-time	2	1	Examination in the special subject	IMMEMP
	2.5.22. Product quality control. Standardization. Production engineering	full-time	2	1	Examination in the special subject	INSS
2.6. Chemical technologies, materials sciences and metallurgy	2.6.1. Metal science and heat treatment of metals and alloys	full-time	1	2	Examination in the special subject	IMMEMP
	2.6.2. Metallurgy of ferrous, non-ferrous, and rare metals	full-time	1	2	Examination in the special subject	
	2.6.3. Foundry	full-time	1	2	Examination in the special subject	
	2.6.4. Metal forming	full-time	1	1	Examination in the special subject	
2.8. Mineral resources management and mining sciences	2.8.7. Theory of design of mining and engineering systems	full-time	1	2	Examination in the special subject	IMT
	2.8.8. Geotechnology, mining machines	full-time	1	2	Examination in the special subject	
	2.8.9. Mineral dressing	full-time	1	2	Examination in the special subject	
2.9. Transport systems	2.9.1. Transport, and transport and technological systems of the country, its regions and cities, transport management	full-time	1	51	Examination in the special subject	IMT
5.2. Economics	5.2.3. Regional and sector-specific economics	full-time	0	1	Examination in the special subject	IEM
5.6. Historical sciences	5.6.1. National history	full-time	0	1	Examination in the special subject	IH
	5.6.2. World history	full-time	0	1	Examination in the special subject	
5.7. Philosophy	5.7.1. Ontology and theory of knowledge	full-time	0	3	Examination in the special subject	IEM
5.8. Pedagogy	5.8.7. Vocational education methodology and techniques	full-time	0	4	Examination in the special subject	IH
5.9. Philology	5.9.1. Russian literature and literature of peoples of the Russian Federation	full-time	0	1	Examination in the special subject	
	5.9.5. Russian. Languages of peoples of Russia	full-time	0	1	Examination in the special subject	
	5.9.8. Theoretical, applied, and comparative and contrastive linguistics	full-time	0	2	Examination in the special subject	

IMMEMP – Institute of Metallurgy, Mechanical Engineering and Materials Processing; IMT – Institute of Mining and Transport; IPEAS – Institute of Power Engineering and Automated Systems; ICAA – Institute of Construction, Architecture and Art; IEM – Institute of Economics and Management;

IH – Institute for the Humanities; INSS – Institute of Natural Science and Standardization; FPES – Faculty of Physical Education and Sportsmanship;
ITPOE – Institute of Top Programs and Open Education
